# Go Superfast... ...Fibre Broadband is here!

Fibre broadband is now available in your area. Ask your internet provider about how to upgrade to a superfast broadband service or go to [www.superfast-openreach.co.uk/buy-it-now](http://www.superfast-openreach.co.uk/buy-it-now) to find out more about what is available to you.

The internet is essential to modern life. With superfast broadband you can do so much more and faster...

- ✓ You can watch TV over the internet like BBC iPlayer, download HD films and music in a flash.
- ✓ The whole family can get on-line at the same time without slowing things down.
- ✓ You can transform and grow your business using Cloud services, faster data transfer and engaging with your suppliers and customers more effectively.
- ✓ You can create, work and run a business from home or work remotely.
- ✓ You can learn on line and access healthcare and other public services more conveniently.

You can keep up to date with the broadband roll out via our interactive "When and Where" map: [www.superfastnorthamptonshire.net](http://www.superfastnorthamptonshire.net)

## Have you heard?

**From December 2015 New Dog Control Powers come into force, meaning you risk a £100 fine if you fail to:**

- ◆ Pick up your dog's poo
- ◆ Carry the means for picking up your dog's poo while on a walk
- ◆ Stop your dog from entering a fenced-off playground
- ◆ Place your dog on a lead when directed to do so by an authorised officer

#### Public Spaces Protection Order on dogs - FAQs

The PSPO, which comes into force on December 1, 2015, means dog walkers risk a £100 fine and potentially prosecution if they fail to:

Pick up their dog's poo

Carry the means for picking up their dog's poo while on a walk

Stop their dog from entering a fenced-off playground

Place their dog on a lead when directed by a Council officer

Put their dog on a lead in the area around the visitor centre/café at Daventry Country Park

#### Here are some frequently asked questions about the order

**What if I'm asked to show a dog poo bag and I refuse? Do Council enforcement officers have powers of stop and search?** Officers have no powers of stop and search – but it is an offence to fail to produce a bag or other means for picking up after your dog when asked by an authorised enforcement officer. The officer will ask for your name and address and issue a fixed penalty fine of £100 if you refuse or are unable to produce a bag. People are reminded it is a criminal offence to obstruct an authorised enforcement officer in their duty.

**I only take one bag out with me on a walk – what if I am approached after I've used it?** We would urge owners to take a handful of bags with them on every walk – you never know when your dog might decide to go twice. However enforcement officers will take a common-sense approach to the new powers. The fines are not in place as a money-making scheme or to 'catch-out' responsible owners. Officers will generally approach people at the start of their walk – at the entrance to parks or in car parks at popular dog walking spots – when owners would be expected to have a supply of bags with them. Officers will also be reasonable when considering any explanation offered as to why a person is not carrying bags.

**I've never seen a dog warden. How will these new rules be enforced?** Daventry District Council has eight officers who carry out a range of enforcement work covering a broad range of public health, pollution and nuisance duties. Two of these officers routinely patrol dog fouling hotspots around the district, including early mornings, evenings and on weekends. They wear plain clothes and usually use an unmarked van in order to keep a low profile.

**What about dog walkers who have poo bags but no intention of picking up after their dogs?** The main offence of failing to pick up after your dog will still be enforced. Officers will target dog fouling hotspots with the intention of catching the small minority of dog owners who are still failing to pick up after their dogs.

**Why might I be told to put my dog on a lead?** Most dogs love being off the lead and in many circumstances – so long as your dog is safe and under control – that is absolutely fine. However if an authorised officer has formed the opinion that a dog is causing danger or serious nuisance to other persons or their dogs the owner will be ordered to bring it under control on a lead.

**When would you prosecute a dog owner rather than issue them with a fixed penalty?** A prosecution might be appropriate for repeat offenders, or if the offence is so serious that it merits prosecution. For example a dog owner that allows their dog to be dangerously out of control despite being directed by an officer to put it on a lead may risk prosecution, rather than a fine.

**I've bagged my dog's poo but there is no dog poo bin around. What should I do?** Dog poo can be bagged and placed in any normal public bin – it does not have to go in a dog poo bin. If there are no bins available it can be taken home and put into a dustbin. If you come across any bins that are full please report it to DDC at [www.daventrydc.gov.uk/online](http://www.daventrydc.gov.uk/online) and we will empty it.

**How are you informing people of the new rules?** In addition to articles such as this, we have erected clear signage at sites across the district warning people across the district, this includes clear signposting of the area around the café in Daventry Country Park in which dogs must now be kept on leads. The first month under the new powers will also focus on educating dog owners about the new rules.

**I use an assistance dog – do the same rules apply?** The measures do not apply to assistance dogs used by the blind or by persons registered as disabled who lack the physical ability to comply with the requirements of the PSPO.

**I've seen a dog walker allow his dog to foul without picking it up. What should I do?** Please report it to the Council with as much information as possible, such as:

The time/date/location of incident

The frequency of the offence if it happens regularly

A description/breed of the dog

Any other descriptions to help identify the offender, including their name and address if known

You can report it by phoning 01327 871100 or by visiting [www.daventrydc.gov.uk/online](http://www.daventrydc.gov.uk/online)

Village Pride's news this edition centres mostly round the Fitz triangle, the church, and some saplings up by the Village Hall. I can't be entirely accurate in telling you what we have done because we worked as the magazine was going to print, but these were our aims. First, to add some gravel, top soil and grass seed around the magnificent bench which the Parish Council has installed round the lime tree on the "Fitz" triangle. The old one was put there to commemorate the coronation of George V, but had recently been grown into by the tree's roots.

Second, to plant tulip bulbs there and on the other islands, kindly donated to us. Last year's bulbs flowered for weeks and made a magnificent display after the daffodils faded.

Very importantly, we worked up in the churchyard, rather neglected by us over the past few Village Pride sessions. We cleared leaves round the base of the church – a condition of the grant we had from English Heritage when we carried out the church restoration a few years ago. We also did some pruning of lower branches of the trees, particularly in the Burial Ground at the side of the church, so that we now have a clearer view of the tombstones.

Finally, we took out some of the saplings up at the playing field which had inadvertently been planted over drains; the danger was that, in time, their roots would make their way into the drains and cause considerable problems.

To all who helped in any way on the two week-ends in October and November very many thanks. I know we all appreciated the WI soups and crumbles on our second week-end – they really set us up for our work.

I will give you good notice of spring Village Pride, and have decided to make the dates of the autumn village clear-up permanent: the last week-end in October and the first in November. In that way, with additional advertising, I hope you can have the dates in your diaries early and come and give us an hour or more's help.

We are fun to be with, we do useful jobs for our lovely village and we make sure we always end our days with tea, cake and laughter.

NASEBY WI NEWS

What a wonderful season autumn is with hazy morning and, happily, this year lots of mild sunny days – a perfect scenario for the Centenary celebrations of the WI movement, with Naseby echoing its nationwide appeal.

Our July party in Janet Bignall's garden took this momentous date as its theme, at the same time celebrating some milestone birthdays amongst our members.

The July trip to Kilworth House Theatre was as always enjoyed by everyone.

Our speaker for September, Stephanie Harris, encourage us to 'spring clean our minds' – hopefully leading to a calm, less cluttered life!

The outing to Ludlow Food Festival in mid-September was much appreciated by all who went.

We have just had our AGM on 8 October and look forward to another successful year.

In November, our speaker, Barbara Potter, is talking about lace making.

Don't forget our fundraising event on 7 November when you can enjoy our delicious soups and crumbles. We look forward to seeing you on that day and as always appreciate your generous support.

Aptly leading on to the December meeting, Christmas will begin with Angela Cooksley telling us about 'The History of Festivals and Food'. Our WI meetings take place on the second Thursday of the month in Naseby Chapel at 7 30pm.

Thank you, Pat Yates, Correspondence and Customer Relations

## Naseby Village Christmas Trail 2015

Too far to walk? Don't like driving at night?

Christmas trail organizers want everyone regardless of age or infirmity to enjoy this village event. We have therefore, with the support of Daventry District Council and our very own Geoff Capel, arranged for a minibus to chauffeur you around the various windows and then back to the village hall for music and refreshments. Geoff will pick you up from your house and take you home whenever you are ready. Just ring him on 01604 740568 to make arrangements to be collected. We want everyone to be able to join in so please do ring Geoff, don't be shy!

If this transport idea is a success we propose offering this service at all our future events. So let us know what you think.

On trail night, if you have little ones who can't walk far, speak to Geoff, he will probably be able to give you a lift in his Elf Transport as it seats 16.

**PCSO RURAL NORTH SCHOOLS PARKING PATROLS**

Due to complaints from a number of local residents and parents parking outside local primary schools, I carried out some early patrols outside both Clipston and Guilsborough Primary Schools recently. In all, ten parents / guardians were spoken to for dropping their children off on the yellow zig-zag's immediately outside the schools gates. I would like to remind all parents that Highway Code Rule 243 states that you “Do not stop or park near a school entrance”. Many parents are parking elsewhere in the villages and walking with their children to school. I ask you to be mindful that some primary school children have to travel to school on a school bus, the safest place for the school bus to drop off, due to the children being escorted off the bus by teaching staff, is at the school gates. We appreciate that the drop off and pick up time at the school gates is the busiest time in most of our villages and we ask all road users to have patience around these times. Other schools will be visited as and when my shift pattern allows.

**SAFETY ASSEMBLY TO GUILSBOROUGH PRIMARY**

At the end of September, I delivered a Safety Assembly to Guilsborough Primary School. The assembly looked at staying safe on the walk to school, staying safe near the water - such as at swimming pools, staying safe in the home, and also staying safe on the internet. This was well received by the pupils and staff at the school.

## **Christmas 2015 Waste and Recycling Collections**

### **Christmas Day (Friday, 25 December)**

There will be no collection on Christmas Day and instead **ONLY** those properties affected will receive a collection of their recycling and food waste on Sunday, 27 December.

**Boxing Day collections (Saturday 26 December)** – There will be a recycling and food waste collection on Saturday, 26 December, but brown bins will not be collected.

**New Year collections (Thursday, 31 December and Friday, 1 January)** – Black bin, recycling and food waste collections will take place as normal.

**Black bins** – Over Christmas and New Year, black bins will continue to be collected as normal on their fortnightly cycle. Please make sure you recycle as much as possible as excess side waste and bins with raised lids will not be collected.

**Brown bins** – From 21 December until Monday, 18 January 2015 brown bin collections will be suspended for households in Daventry District. This will enable crews to focus on collecting extra recycling. Please refer to your collections calendar as to when your brown bin will be collected next.

**Recycling boxes and food bins** – these will continue to be collected weekly for all properties on their scheduled collection day. There are alternative recycling arrangements for households scheduled for a Christmas Day collection (Friday 25 December).

**Extra recycling**—Large cardboard will be collected from Boxing Day (26 December) until Saturday, 9 January inclusive.

If you have large cardboard and it won't fit in your recycling box, please flatten it as much as possible and place next to your boxes on your collection day. Please do not place it inside another cardboard box.

You can also put out other extra recycling for collection over Christmas.

If you have more recycling than your boxes can hold, please continue to sort your items and place them into clear or white bags next to your boxes (not black or green sacks)

**Real Christmas trees** – Christmas trees will only be collected when garden waste collections resume district-wide from 18 January, 2016.

Please put your tree out next to your brown bin on your scheduled collection day from this date, or alternatively take it to your local household waste recycling centre. Find your nearest at [www.daventrydc.gov.uk/recycling](http://www.daventrydc.gov.uk/recycling)

Please note there are **no** parish collection points of Christmas trees in Daventry District. Any trees found in public places will be treated as fly-tipping.

**Check your collection calendar** – In December last year we sent you a waste and recycling calendar with collection dates for the 2015 and 2016 two-year period which we asked you to keep for future reference.

If you no longer have this calendar you can download a replacement from our website at [www.daventrydc.gov.uk/recycling](http://www.daventrydc.gov.uk/recycling) or call us on 01327 871100.

Please note there are no changes planned to your existing collection day or schedule in 2016.

### **Reporting a missed bin over Christmas and New Year**

Daventry District Council's offices and Contact Centre will be closed from Friday, 25 December 2015 until Monday 4 January 2016.

During this time waste and recycling services will continue and you can report a missed bin collection on our website at [www.daventrydc.gov.uk](http://www.daventrydc.gov.uk).

## COUNTY SCHOOLS CHALLENGE ... STOP PRESS

Following on their success at the County Schools Challenge Final last year, Guilsborough Academy have been one of the first schools to put their name down for this year's challenge, which will be focusing on forming healthy relationships. I am grateful to Miss Furnell in the Maths department for once again co-ordinating this project for the school.

*Speed Enforcement by the Safer Roads Team, as well as checks by the local Safer Community Teams, continues throughout the area.*

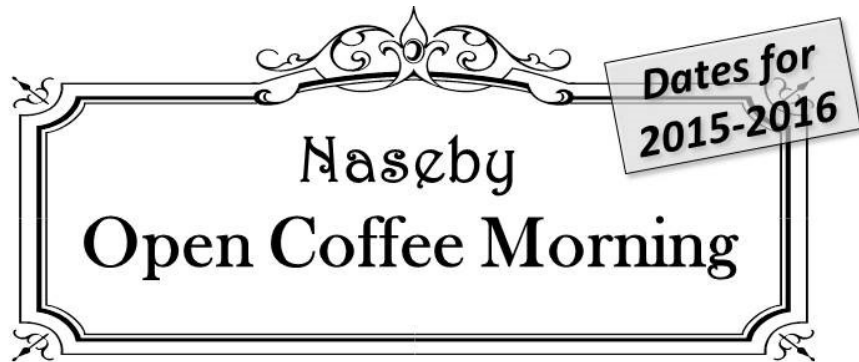

### **Special Constables**

I am pleased to announce that the number of Special Police Constables recruited by Northamptonshire Police has now passed the 500 mark! This is a huge achievement giving Northants Police the largest Special Constabulary per head of population and the largest ratio of Specials to regular officers, in the country. This is testament not only to the hard work of the Force, but also the fantastic support of local people who want to give something back their community.

### **Want help finding a Parish Special Constable for Naseby?**

The ambition over time is to have a Parish Special Constable in each and every village. We would like to help you find a Parish Special constable for your village by inviting you to invite us to carry out a 'knock and drop' event. Knock and drops involve every house in a community being visited by PCSOs, Special Constables and other volunteers. We invite residents to attend a locally-held recruitment event, usually on the forthcoming Saturday at a venue such as the local pub or village hall. These events provide residents the opportunity to learn more about the role of Special Constables and how to apply, but also allows them to raise any wider policing concerns they may have locally.

If you would like any further information on becoming a Parish Special Constable please contact the Specials Recruitment Team at [SpecialsRecruitment@northants.pnn.police.uk](mailto:SpecialsRecruitment@northants.pnn.police.uk) or phone 01604 888113.

**Village Health Warning**

It has come to our attention that there is an increasingly severe case of 'last-minute-itis' spreading around the village.

The effects of last-minute-itis are rarely serious for the afflicted. Sufferers are often heard to say "Oh yes, I forgot to buy the tickets", or "I had intended to go to that", and can often feel extreme disappointment.

However, it can have a more serious effect on those around them, particularly event organisers, who usually experience sleeplessness, prematurely greying hair and a sudden increase in wrinkles. It can also lead to the cancellation of activities and events.

Fortunately, the cure is quite straightforward. It simply involves the use of a diary (or electronic planning aid) and a little forethought. Highlighter pens are also used by some to aid recovery.

If we can eradicate this terrible illness from our village, we can look forward to a future filled with regular social functions and sporting activities for us all to enjoy.

## News from your Village Hall

Lots of news, but I'll keep it brief:

### Maintenance

British Gas have topped up the insulation in the roof, draught-proofed the doors and replaced many of the lightbulbs for more efficient LED alternatives. The remaining bulbs will be replaced when the hall is redecorated.

We have submitted a bid to Daventry District Council for their help in financing the replacement of some of the worn, wooden doors and windows. We hope to hear their decision early in November.

Our next priority is the redecoration of the main hall. We will apply for additional grants, but will also be holding more events in the next few months to raise the necessary funds. The height of the ceiling means this will be an expensive undertaking, so please support our events.

### Classes

The new timetable of classes has been very popular, and we now have over 17 hours of activities every week. The current timetable is printed over the page.

Do let us know if there's anything else you'd like us to arrange. We only need approximately 8-10 people to make a class viable, so if enough people ask for something, we can try to arrange it.

### Sports Court

The sports court is our next challenge.

We'd like to reach a point where we have one sports-themed fundraising event each year to finance the maintenance of the court, so that we can abandon the current membership-based scheme. We've had a few ideas, such as a tennis ladder, 5-a-side football league or a "local villages" multi-sport tournament.

Please please contact us if you've any ideas or if you'd be willing to give a bit of time to help arrange something.

### Events

Our next event is the Christmas Trail on Sunday, December 13<sup>th</sup>.

Next year, we will be holding a quiz night on Friday, 5<sup>th</sup> February and a Murder-Mystery Dinner on Saturday, 5<sup>th</sup> March.

There will also be a 'whole-village' celebration of the Queen's 90<sup>th</sup> Birthday on Saturday, June 11<sup>th</sup>.

# All Saints Church

Dear Parishioners and Friends

I hope you have all had a good summer, and are enjoying the recent lovely spell of bright and crisp autumn days. The harvesting has mostly finished and perhaps it is a good time to remember God's part in the provision of our food, to pray for his help and blessing and to take time to give thanks for his wonderful gifts to us. So often we take the availability of our food for granted. We no longer eat foods as they come into season; global transportation allows us to obtain the majority of our foods whenever we feel like it. Often we fail to remember or recognise the part played by God in the providing for our needs.

The Sundays in November form a pre-Advent time of quiet preparation as we move towards the great feast of Christmas and the ending of the year. It is perhaps a good time to take stock of our lives and our relationship with God - perhaps taking time to sit quietly, or read, or listen to music, or even to pray! If only we can calm ourselves down a bit and stop rushing about so much we might find it possible to give God a bit more of our time and maybe it will help us not to rush crazily into our preparations for celebrating Christmas.

Wouldn't it be wonderful to arrive at Christmas day fresh and ready for the celebration rather than worn out, and fed up with the whole idea!!

Our services for the Christmas Season are as follows:

On Advent Sunday (29th Nov) we start the celebrations with the Tree Lighting Ceremony at 4.30pm

Sundays 13th & 20th December we have our usual 9.30am Sung Eucharist service.

On 13th December at 4.30pm there will also be a Family Service with Nativity and Carols at Haselbech.

Our own Carols by Candlelight Service takes place at 6pm on Christmas Eve (24th Dec) and the traditional Midnight Mass will be celebrated at Haselbech at 11.30pm; On Christmas morning there will be a United Benefice Service at Clipston at 10am.

With all good wishes,

**NASEBY VILLAGE HALL 50:50 CLUB**

Congratulations to our July- September winners, now that we have 77 numbers the prize fund has increased to a tidy sum. If we managed to get 100 numbers sold the first prize each month would be a respectable £60 so, what are you waiting for its still not to late to join. Drop a cheque or cash for £6 to 17 Newlands for your chance to be a winner in the last three months of 2015. If you want to pay by standing order or bank transfer email us at [nasebyvillagehall@gmail.co.uk](mailto:nasebyvillagehall@gmail.co.uk) and we will give you our details. Let's try and get to 100 !
