## HEADLINE

Welcome to the Autumn edition of Naseby News!

Yet again, a lot has happened since the last issue; Covid-19 restrictions have ceased, schools have re-opened, and events have started back up again!

This issue is packed full of informative articles, local information, up and coming events and advertisements, so please do take the time to read all that's on offer and support local events and initiatives.

Lastly, Happy Halloween and have a wonderful and safe Bonfire Night!

## COUNCILLOR VACANCY

We still have a vacancy for a Parish Councillor!

If you are aged 18 years and above, have lived or worked in the parish (within a 3-mile radius) for 12 months or more, then you are eligible to apply.

It isn't an arduous position. You can give as little or as much as you like, but it is a rewarding position, especially knowing you have helped shape the community you live/work in!

So, if anyone is interested, please contact the Clerk at [clerk.nasebypc@outlook.com](mailto:clerk.nasebypc@outlook.com)

# Parish Council

## COMMUNITY BENCHES

Some of you will have noticed the 3 benches installed by the Parish Council around the edges of the playing field.

Manufactured by a UK manufacturer from recycled plastic, they will not rot and require no painting.

For the many walkers who exercise on the field, they will provide somewhere to stop and rest, to watch football or maybe to just have a picnic!

# WATER PRESSURE ANGLIAN WATER UPDATE

Following lobbying by the Parish Council, Anglian Water have installed a Pressure Reduction Unit on their water main near to Mill Hill Farm on Sibbertoft Road. The large piece of kit was placed in a substantial excavation in the verge and is now operational.

Water is supplied to Naseby from a service reservoir at Cold Ashby via a pipeline which passes through the village along Church Street and then northwards along Sibbertoft Road, to supply Sibbertoft village.

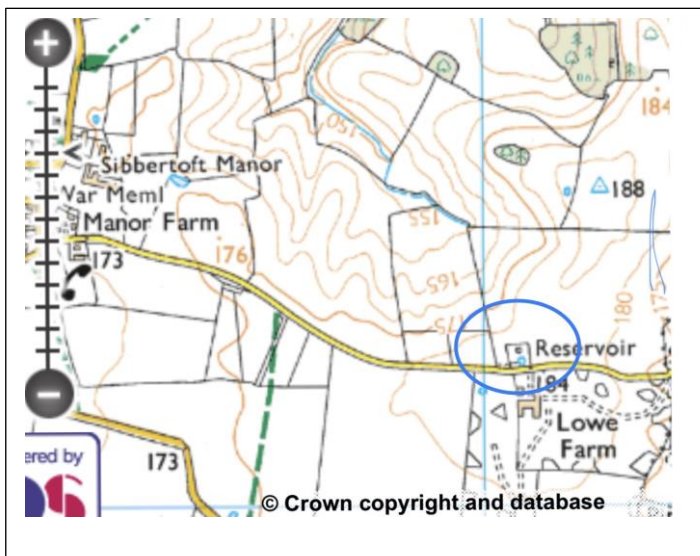

Large water pressure variations within the old cast iron water pipes have led to a long history of pipe fractures, particularly to the north of the A14, leading to losses of pressure within Naseby.

Since it's installation, one or two new leaks have been spotted towards Sibbertoft, well to the north of the pressure reduction unit, but there has been no reported loss of pressure within the main village. It is still early days!

The length of water pipe from Mill Hill Farm to the Sibbertoft Service reservoir is being promoted for replacement (approx. 5,000 metres), but it is highly unlikely this will be considered within the current Anglian Water business period ending in 2025.

**Pressure Reduction Unit**

### Sibbertoft Service Reservoir Location

The Parish Council will continue to monitor instances of low water pressure and leaks.

***If you experience low pressure or notice a leak, please report it to Anglian Water Freephone no 03457 145 145 or online. You could also put something on the Naseby Facebook page or notify the clerk 07471134931 or a parish Councillor.***

## CCTV SYSTEM

In the very near future, the Parish Council will be installing external CCTV at the Village Hall and playing field.

There will be 5 cameras which will monitor and cover the entrance to the Village Hall and car park, the play area, the tennis courts and also the playing field.

These cameras will be operational 24 hours per day, 7 days a week.

Council is ensuring that all policies and procedures will be in place and that all regulations are met surrounding such a system. New signage alerting members of the public of the system, will be installed in due course.

The Clerk will be the main Data Controller with both Cllr Johnston and Cllr Collins acting as secondary Data Controllers.

These cameras are there to prevent criminal damage and activity, and Council hope that they will deter any one from acting in this way, making it a safer place for all users.

If you have any questions, please do not hesitate to contact the Clerk at [clerk.nasebypc@outlook.com](mailto:clerk.nasebypc@outlook.com) or 07471 134931.

The Parish Council are considering holding a street party in celebration of the Queen reaching 70 years on the throne!

The street party could potentially be held on the High Street, and all would be welcome. However, we need help to make this happen and are looking for expressions of interest from people within the parish, to help organise this event.

If you can help, please register your interest with the Clerk at [clerk.nasebypc@outlook.com](mailto:clerk.nasebypc@outlook.com) in the first instance.

# ALL SAINTS CHURCH NEWS

Dear Friends,

We had a wonderful churchyard tidying session in September, which has made a huge difference, making the whole area much neater and more attractive. Thank you so much to all those who took part, and a special thank you to Mrs. Cook, our school's new headteacher, who not only came over to help but also brought delicious and very welcome refreshments!

On a similar outdoor note, Father Kris has been organising Forest Church for families, children (7+), and young people from across the benefice. It enables and encourages them to gather together outdoors and make connections with God in creation and share faith and friendship. There are fun activities, games to play, bible stories around the fire pit, and prayers. Some of you will have experienced or know about all this from the introductory sessions he ran in Naseby school, and information sent out to parents, but if you would like further information, please contact Fr. Kris ([curate@nasebygroup.org](mailto:curate@nasebygroup.org)). We really look forward to welcoming you.

We would also love to see you in All Saints' Church on 31<sup>st</sup> October – It is All Saints' Day, and we will be having a special 10.00am service to celebrate this; you are warmly invited to join us.

With every blessing,  
Miranda

## AGE UK – SEPTEMBER 2021

Hello again! Despite another somewhat difficult year, we have had some beautiful late summer weather - isn't it a pity we can't bottle some of it for the cooler months.

I would like to share with you details of the Daventry District Forum, (DDF). Some of you will know about it, but if you are new to the area, you may not have heard about it.

Pre-Covid, there used to be a monthly afternoon meeting at Daventry for retired people. They would include a speaker, tea, and possibly some light exercises. Hopefully, they will start these meetings up again, but in the meantime, there is a useful quarterly newsletter, which includes lots of information. There is a list of very useful numbers for support and advice, which I would be happy to copy for anyone who would like it. There are adverts for what is coming up in the area, and Home Safety tips including fire safety, and lots more. I will endeavour to make sure a copy is displayed in the Parish Notice board near the school, or, you can visit DDF on their website [www.westnorthants.gov.uk/ddf](http://www.westnorthants.gov.uk/ddf)

On a different subject, you may have noticed that we are not getting so many door-to-door callers since Covid; every cloud has a silver lining! However, we still need to be careful. I had one forceful guy trying his hardest to let him clean our block paved drive. The village WhatsApp group is great for warning other villagers of who might be about.

Let's hope we all soon get our Covid booster jabs. Stay safe!

## NASEBY VILLAGE HALL IMPROVEMENT PLAN

The first stage of our improvements to the Village Hall is a new kitchen, thanks to Naseby resident Michelle Simons who persuaded her employer, Howdens Kitchens in Northampton to donate new kitchen units to the village.

We are complimenting this with two new double ovens and a new hob unit for a total upgrade.

Due to numerous bookings in the hall this autumn until the end of the year we are planning an installation during January or February next year. We are looking for volunteers to help take out the old units, remove the old wall tiles, assembly the new units, install all the base and wall units, worktop, electric appliances, sink units and new tiles on wall.

If you have any of the necessary skills and/or enthusiasm and would like to contribute to your village hall community hub, please get in touch.

Call 07817 441948 or email [nasebyvillagehall@gmail.com](mailto:nasebyvillagehall@gmail.com) for more information.

## WOMEN'S INSTITUTE UPDATE

Well, it has been another strange year, although Naseby W.I. have not been idle. We have done quite a lot over the summer, including a lovely Pimms evening, afternoon tea in a garden on a glorious hot day, a visit to Delapre Abbey gardens and tea in the rain, plus a trip to the beautiful "Kathy Brown's Garden" at Stevington in Bedfordshire.

We are now delighted to have started meeting again at The Chapel, it is great to be back after our period of only meeting on Zoom, and to see old friends face to face. We also have several new Members to our group; we welcome them and hope they enjoy being part of W.I.

Over the next few months, we have some interesting talks planned, starting with one of our Members, Cherry, who wrote a book when she was living in The Philippines. This will be on Thursday Oct 14<sup>th</sup>. In November, we will be hearing about the history of Madame Tussauds and how wax figures are made. Our December meeting will find us singing with Rebecca Schneider, which should get us all in the mood for Christmas.

In the New year we will be having a late Christmas Pub lunch. In February, we will be learning how to take care of our house plants. In March, we will hear the story of the Caribbean Community in Northampton following the "Windrush" era. We are particularly looking forward to hearing all about this from June-Elizabeth White-Smith-Gulley. We meet on the second Thursday of each month at 7.30pm. If you would like to join us for any of these talks, do come along as a guest. Alternatively, if you would like more information, please contact Angela Carter on 740147, or Liz Capell on 740568.

## ALL SAINTS CHURCHYARD CLEAR-UP!

Many thanks to all who participated in the clear up on the 19th of September. It was very much appreciated, and it was great to see the wide age range involved and to meet Louise Cook the new Naseby School Headteacher.

Thanks also to Suthan and Naseby HQ for providing some much-needed food and drink.

# Bonfire Safety Advice

October 2021

As we move into Autumn, Northamptonshire Fire and Rescue Service has seen an increase in emergency calls to bonfires that have burned out of control, as gardeners prepare for the winter months.

**So far this week, we have been called to eight bonfires that were putting property at risk.**

**NFRS is urging everyone to be extra careful before lighting bonfires and to follow some simple guidance to prevent it from getting out of hand**

- Before lighting the bonfire, check that no pets or children are hiding inside it
- Build the stacks so that it is stable and will not collapse outwards or to one side.
- Never use flammable liquids such as petrol or paraffin to light the fire.
- Don't burn foam-filled furniture, aerosols, tins of paint or bottles.
- Always keep children and pets away from the fire.
- Don't leave the bonfire unattended.
- Keep buckets of water, the garden hose, or a fire extinguisher nearby.
- Pour water on the embers before leaving.

## **We need your Help!**

The Village Hall Team is planning to bring you another spectacular fair on the weekend 16<sup>th</sup> and 17<sup>th</sup> of July 2022

We'd like to assemble a small, special team to work together through the autumn and winter on this event.

We are looking for bakers, float collectors, sign makers, sign knockers in; parking assistants, stall bookers, traffic directors, runners, walkers, shoppers, orderers, list tickers, box tickers, joke makers, organisers, bar help (18+) waiting staff; tea makers; coffee pourers, milk buyers, beer collectors, marquee erectors (and take downers); roper offers, washer uppers, cash and carry goers. There are dozens of small every day uncomplicated little jobs to do to make the fair even better than last year.

**WE PROMISE NOT TO MAKE YOU JOIN A COMMITTEE – JUST VOLUNTEER SOME TIME ON AND OFF THROUGH THE NEXT FEW MONTHS**

# NASEBY GOOD NEIGHBOURS

Dare we hope that we're nearing the end of the coronavirus crisis? Or at least the beginning of the end? Maybe, if we keep our fingers crossed...

The Good Neighbours team would like to thank all our volunteers for helping friends and neighbours and making a difficult time a little easier. We would also like to thank the Kelmarsh Windfarm Community Benefit and Western Power Distribution for their extremely generous grants. All this support enabled us to help local residents with:

- monthly prescription collections;
- heaters when they ran out of oil;
- vouchers for food and gifts over Christmas;
- befriending phone calls;
- lifts to vaccination centres;
- thank you gifts for healthcare workers.

We're intending to keep the Good Neighbours initiative going in the background of daily village life and would be interested to hear what you think we could do to help local people. Our recent consultation indicated that respondents would be happy for us to offer practical help to other villages when necessary, and suggested the following for residents:

- IT support for online shopping / zoom calls;
- a listening ear;
- walking buddies;
- phone calls to keep people connected.
- a book club or sit and sew club (these already exist in non-covid times);
- hampers of food and gifts;
- shopping / prescription collections;

## ***Can you think of anything else?***

We do offer all the above through Good Neighbours but have had relatively few requests for help. We hope that this is because people are generally managing ok BUT - if you would like help, or company, or are struggling in any way at all, do let us know and we will work out a way to make things a little easier for you.

If you have registered as a volunteer, and your life is becoming busier as restrictions ease, we can easily take your name off the list - simply email **[goodneighbours.nasebypc@gmail.com](mailto:goodneighbours.nasebypc@gmail.com)**. Or, if you would like to be added to the list, please send your name, address, telephone number and a summary of the things you'd be happy to help with to the same email address. With thanks again.
