And become part of the Parish Council team.

The Council gives views and makes decisions on behalf of the Village, and on planning applications and other issues that affect the Parish and the residents. It is a vital part of local democracy and **plays an essential role in protecting the village and the people who live in it.**

Commitment is only 2 hours a month to attend our 10 annual Council meetings and then to get more involved as your time allows. There is no pressure to do more.

You would be joining a friendly group of people, discussing interesting topics that affect the village and should you decide to get more involved, any training you need will be provided.

Contact Antonia at antonia.collinsnpc@outlook.com or David at david.brodalanpc@outlook.com to arrange a no obligation informal chat at a time and place that suits you.

Neighbourhood Watch is a network of local people that help to build and maintain safe and friendly communities. The concept is very simple - neighbours working together to keep watch on one another's homes and surroundings to make their neighbourhoods safer environments.

Importantly, Neighbourhood Watch is not only about reducing crime, but also about building community and developing good, neighbourly relations. The idea is that by working together with neighbours to achieve common goals, reduce crime, deter criminals, vandalism, and con-artists - communities become safer and stronger.

By reporting anything suspicious to local police forces Neighbourhood Watch provides a valuable insight that helps reduce crime and enables people to feel safer in their homes and local areas. It has been estimated that for every 100 crimes committed, 26 crimes were prevented thanks to Neighbourhood Watch

There are many benefits of membership including being safer, receiving expert, easy-to-follow crime prevention advice, invitations to crime prevention webinars and being consulted on your crime and community issues.

It's easy and free to join. Just go to...

NEIGHBOURHOOD DEVELOPMENT PLAN - AN UPDATE!

It's been a busy time for the Neighbourhood Plan Advisory Committee since the initial meeting back in October 2023, culminating most recently with the successful Open Event which was held on 2 March 2024.

The Advisory Committee has met on three occasions since the issue of the last Naseby News, with the focus being on developing a Vision Statement for the Naseby Neighbourhood Plan, preparing a paper on the village history (of which there is much!) and the development of a questionnaire for all village residents over the age of sixteen to complete and have their say on a number of important village topics including local facilities, the environment, and housing needs in the village. Please do take the time to complete the questionnaire if you have not already done so – it's very much your opportunity to have your say on how you wish your village to develop over the coming years. Many thanks if you have already completed the questionnaire; at the time of writing 169 questionnaires had been completed.

The deadline for completing the questionnaire has been extended to 8 April 2024.

NASEBY OPEN EVENT SUCCESS: The Open Event, which was promoted through posters in the village, leaflets and social media was attended by 90 people which was a fantastic turnout; the aim of the Open Event was to help engage the community in the Neighbourhood Plan and to seek comments on emerging topics including open spaces and the environment, community facilities and amenities, housing and design, transport, and employment. There was a genuine interest from those who attended the event to understand more about the neighbourhood planning process as well as a desire to share comments and thoughts on the topics mentioned above. *Your*locale, our appointed planning consultants, will be summarising the output from the contributions on the day, which will assist in the development of the Neighbourhood Plan. A massive thank you for those who were able to attend and for your contributions.

THEME GROUP VOLUNTEERS NEEDED: The next step in the process is the establishment of three Theme Groups, one on housing and the built environment, one on sustainability (economic and community facilities) and one on the environment (natural and historic). The purpose of each Theme Group is to prepare the evidence and develop policies to build the detail to be contained within the Neighbourhood Plan, so if you have an interest in becoming involved, please do contact Barry Roberts, Vice Chair - Naseby Neighbourhood Plan Advisory Committee at bsroberts21@btinternet.com.

It's pleasing to report that a number of you expressed interest in getting involved with the Theme Groups at the Open Event. *Yourlocale* will be supporting each Theme Group.

HOUSING NEEDS ASSESMENT: In tandem with these ongoing initiatives, Locality, an organisation which provides Neighbourhood Planning support, have been appointed to undertake a Housing Needs Assessment and the preparation of a Design Guide for the village. The work, for which funding has been secured, will run for a period of 3-4 months following an initial call scheduled to take place on 26 March 2024. The findings of this work will also help inform our Neighbourhood Plan.

Please do get involved!

WEST NORTHANTS LOCAL PLAN PROGRESS

West Northamptonshire Unitary Council covers the former areas administered by Northampton Borough, Daventry District and South Northamptonshire Councils. Each former council had their own Local Plan which included a Part 1 Joint Core Statement adopted in 2014 which was common to all three councils plus a separate Part 2 document, particular to each council which were adopted between 2020 and 2023. All three local plans are in force today and govern current development. They were originally supposed to be used through to 2029.

The creation of West Northamptonshire Council in April 2021 necessitated the need for a single Local Plan with consistent policies across the whole of its area covering the largely rural Daventry and South Northants areas together with the very urban Northampton Borough.

The first public draft of the new plan is to be issued in April / May 2024 with an 8 week consultation period. A number of public events are to be held but not sure if Naseby will feature. The new plan will comprise single document of around 300 pages and will look at the period up to 2041.

The plan is targeting 30,000 new houses and 48 Hectares of employment land. Although a number of large development sites have already been identified there will be a call for further sites suitable for development.

After the consultation period ends West Northants will look at the responses which are likely to run into tens of thousands and will make amendments to the draft plan if considered to be necessary. A revised version of the West Northants Local Plan should be considered by the West Northants Council in December 2024.

A Submission version of the plan will be sent to the to the Secretary of State around April 2025 and he will appoint an Inspector to examine it to ensure that it meets National planning guidelines. The Inspector will consider objections to the Submission Plan and will hold a public hearing session around September 2025.

Following receipt of the Inspector's report there could be a requirement for some amendments which if considered to be major changes could require a further limited consultation exercise.

The final version of the West Northamptonshire Local Plan is currently expected to be adopted around September 2026. All new development across the whole of West Northants area will then be expected to follow its policies together with any requirements included within adopted neighbourhood plans.

At this point the 2014 West Northamptonshire Joint Core Statement (Part 1) and the three local plans including the 'Settlements and Countryside Local Plan (Part 2) for Daventry District 2011 - 2029' will be superseded.

WORMSLADE ANAEROBIC DIGESTER SCHEME UPDATE

This site is proposed for the construction of a large digester facility to turn vegetable waste and agricultural crops into electrical energy and gas to be fed into the National Grid and into an adjoining trunk gas.

Despite objections from local Parish Councils including Naseby, planning approval was granted in 2016. Although the site which is located a mile east of Clipston, close to the A508 road is some 3 miles from Naseby, there were concerns over large agricultural vehicles transporting material for digestion through Naseby and other villages along narrow country lanes.

The original developer who has now ceased trading carried out a small amount of construction within the 3 year planning permission window to secure it indefinitely.

We had hoped that the scheme had died because nothing seemed to be happening. Unfortunately, another developer has taken up the scheme and has submitted an application to the Minerals and Waste section of West Northants Planning Services seeking to change one or two plant and machinery elements of the approved scheme.

NASEBY WOMENS INSTITUTE

Naseby W.I. are just at the beginning of another new W.I. year. We also have a new President, Antonia Collins, who we offer a warm welcome to. We also thank Angela Carter for the last four years as President, not an easy task through the Covid Pandemic!

Our last year has given us lots of inspiring talks, many lovely social occasions and coach outings. We also now have a monthly pub lunch, a Walking group, and two Book Groups.

If you would like to join us, please speak to Antonia, 07557390771, or to me, 740568. You will be most welcome.

We meet on the second Thursday of the Month in Naseby Chapel, at 7.30pm. Lunch days vary, but the Walking Group meet on a Monday afternoon.

There is a packed programme for the coming year, including a special evening in September with Steve Pateman, whose shoe factory in Earls Barton inspired the film and Musical, "Kinky Boots". This will be open to guests and there will be tickets available. This would be a great opportunity to come and meet us all.

There are also outings planned to Belvoir Castle, and a day trip to Cambridge.

NASEBY OIL BUYING SCHEME

COMPASS ENERGY >

The Naseby village scheme has been in place since 1st April 2021.

We currently have 5 villages set up. Guilsborough, Thornby, Naseby, Ravensthorpe & Swinford.

The idea originated in Guilsborough, and the aim was to reward the village when buying direct through us and also for us to say thank you for choosing us as your supplier.

Our vision was to build a very concentrated local business giving excellent service and consistently sensible pricing, customers buying from us directly, using our own tankers and regular drivers.

Savings are achieved by cutting out costly middlemen, i.e some consortiums or online offerings.

Runouts are handled swiftly and without the surcharges often applied by others.

A set amount of each litre bought is then allocated to support and fund projects for your village. The fund is administered by Naseby Parish Council (i.e 10,000 litres earns £50)

Without doubt, where it has been promoted by the community, it has proved to be successful and well supported.

Naseby has 38 regular buyers so far, and the payments due to your parish council totalled £505.40 up to the 31st of October 2023.

You are not tied into Compass Energy to buy your fuel. All you need to do is ring up and ask for a price and if you are happy with the price place an order. When you place your first order you will be automatically coded (Naseby) and your lirage will be added to the fund.

We now have our office at Thistledown Barn, Holcot Lane in Sywell and I have been joined by 3 of my longstanding ex-Watson colleagues: Jess McClorey, Ruth Threadgold & Ian Taylor.

Commercial kerosene users are welcome to join.

Thank you for considering us, please give us a call.

Our number is 01604 345526.

Trevor Reay

Well, Spring is here at last, after all that rain. Let's hope we get some nice sunshine; we certainly need it.

I know that quite a lot of people of a certain age are aware that I will try and help with small problems and worries. After all I have been around a while!!

However, if you are new to the Village, I would like to introduce myself. I have a background with Social Services in Northampton, with children mainly. I don't have any qualifications with the elderly, but I have been the Village Age UK contact for over 25 years. I also don't have all the answers but can hopefully offer support and point you in the right direction.

If you would like to introduce yourself to me, do give me a call or visit for a cuppa. T: **740568** or lizziecapell@hotmail.co.uk

One of the bees in my bonnet is the fact that we get so many unwanted phone calls from scammers, this invades your privacy, and can catch the wisest person out. One of the recent ones for me has been someone claiming to be from Microsoft, regarding my computer. I have been assured by a computer expert that Microsoft do not call you. I certainly will not enter into any conversation with any callers and urge you to be careful.

Have a great Easter and Summer.

UPDATE - PLANNING APPLICATION FOR 3 LARGE WAREHOUSES - A14 JUNCTION 1

Planning Application: WND/2023/0148

The planning application for 3 large warehouses on the site of a former landfill tip has been withdrawn by the applicants.

A valid planning permission issued many years ago still exists for a petrol filling station, coffee drive thru, fast food drive thru and hot food restaurant which were not part of the withdrawn application.

These elements could still be constructed but their justification has been affected by the development of the large service area at Junction 1 of the M6 motorway (Rugby). This has already filled the very long gap between Coventry Services and the Rothwell and Kettering service areas on the A14.

CCTV – VILLAGE HALL

The CCTV system was installed by the Parish Council as a deterrent but also, as a way of investigating major incidents at the Village Hall and the surrounding grounds.

If an incident occurs and a day, date and time can be provided, we cannot give the footage/recording to you but can take the necessary steps to check the footage and report back our findings.

Please contact the Data Controllers for the Council, the Parish Clerk at clerk.nasebypc@outlook.com or Parish Councillor Antonia Collins at antonia.collinsnpc@outlook.com

Please note that the Council is bound by legislation with regards to the CCTV system and its use, and all policies and procedures concerning this system, can be found on our website www.naseby.org

59 / 60 BUS SERVICES TO CONTINUE IN 2024/25

The 59 bus from Naseby to Market Harborough on Tuesdays and Fridays, and the 60 bus to Northampton on Monday, Wednesday and Thursday, is to continue after the decision of UNO to give up their contract.

Stagecoach is the new bus operator, initially with a one year contract with West Northamptonshire Council, but with an option to extend it.

Parish Councils along the routes will continue to provide a financial contribution, which for Naseby will be circa £1,600 for the 2024/25 period.

The full Stagecoach timetable can be found on their web site and is virtually the same as UNOs

<https://www.stagecoachbus.com/service-updates/serviceupdatesarticle?SituationId=ID-21/02/2024-08:34:56:735#>

59 Bus - Tuesday and Thursday

The Merry Wives of Windsor

Wives may be merry, and yet honest too!”

Sir John Falstaff, everyone’s favourite Shakespearean sleazeball, has fallen on hard times.

In order to fix his finances, he plans to seduce the wives of two wealthy merchants. But, wise to his wily ways, the ladies take the opportunity to punish Falstaff by playing a series of hilarious tricks on the nincompoop knight.

Expect silly slapstick, abundant anachronisms and memorable music nestled amongst Shakespeare’s poignant poetry as the critically acclaimed Pantaloons put their own innovative and interactive spin on this classic comedy.

Coming to Naseby village hall, Saturday August 17th

This is a Pantaloons outdoor theatre production

We have toys, ride-on toys, story time sessions and lots of fun for parents, carers, and little people.

The cost is **£1.50** per adult or child, and we provide drinks and a snack.

Naseby Tots is the ideal place for you and your child to make friends, socialise and play.

We look forward to seeing you there.

Naseby Village Coffee Morning

Thank you to everyone who has been supporting our monthly Coffee Mornings. They continue to be very well attended and we get lots of compliments on our delicious cakes!

So, remember, first Wednesday of the month, 10-12 at the Methodist Church, Gynwell, Naseby. Offers of help and cakes always appreciated.

Everyone welcome, all ages, with toys and books for our younger visitors. All proceeds to Naseby Churches, All Saints and Naseby Methodist Church.

We look forward to seeing you soon!
